

Similar names. Very different coverage.

Only plans from Blue Cross Blue Shield Global Solutions℠ provide comprehensive international coverage.

At Blue Cross Blue Shield Global Solutions (BCBS Global Solutions℠), global health insurance is all we do. Our plans are built for international travelers and expats and are backed by the experience, tools and support to care for members worldwide. Simply put, ***we're made for this.***

The differences matter—because seamless global healthcare is created *with purpose,* not *repurposed.*

BCBS Global Solutions Plans

International plans, built for global care

- Dedicated international health insurance plans
- Designed specifically for healthcare outside the member's home country
- Coverage and claims managed by BCBS Global Solutions
- Built for expats, global employees, students and international travelers

Blue Cross Blue Shield Global® Core

Domestic plan extended internationally

- Extension of a member's domestic U.S. health plan
- Uses U.S.-based benefits overseas
- Coverage and claims decisions made by the local Blue Cross® and Blue Shield® plan
- Not a separate international health insurance policy

Note: BCBS Global Solutions administers the BCBS Global Core program. **BCBS Global Core is not a BCBS Global Solutions plan.** With BCBS Global Core, coverage decisions remain with the members' local Blue Cross and Blue Shield plan, based on domestic benefits.
