Termination effective dates

Request cancellation by the last day of the month you want your coverage to end.

Note: If you fail to pay premiums for the coverage period prior to your termination date, your coverage may be terminated due to non-payment.

Retroactive termination requests

Retroactive terminations, i.e., termination dates in the past, are only permitted in the event of the subscriber's death. A copy of the subscriber's death certificate must be submitted with this Termination Form.

Cancelling a termination request

If you submit a termination form but then decide to keep your coverage, it may be possible to withdraw your termination request. Please note:

- You cannot withdraw a termination request if you have coverage through the Maryland or DC Health Exchanges.
- For coverage obtained directly from CareFirst
  - The withdraw request must be received by CareFirst in writing.
  - If you are enrolled in a grandfathered plan (you enrolled in a plan before March 23, 2010), you may not be able to re-enroll in that grandfathered plan after coverage is terminated.

Coverage change due to open enrollment

Switching plans during Open Enrollment does NOT automatically cancel your current coverage. Termination requests must be submitted for the following:

- Changing and switching from an On-Exchange individual plan to an Off-Exchange individual plan—or vice versa.
- Switching to an employer plan.
- Changing health insurers.
- Moving out of state.

If you do not terminate your old plan by December 31, your premium payment for that plan will be due on January 1.
