Enhanced Monitoring Member Consent

Through CareFirst BlueCross BlueShield and CareFirst BlueChoice, Inc. (CareFirst), you may have a benefit that offers an Enhanced Monitoring service. This service is available to help you:

- Monitor certain medical conditions such as Congestive Heart Failure, Chronic Obstructive Pulmonary Disease, Hypertension, Diabetes, and Chronic Kidney Disease at home in conjunction with a nursing team and your Primary Care Provider
- Increase your overall health awareness

If you would like to take advantage of this benefit, a representative from CareFirst or its Enhanced Monitoring partner will call you in the next few days to review these benefits and services.

Note: Your health insurance coverage will not be impacted by whether or not you agree to accept this service.

Yes, I agree to be contacted by a representative at the number and/or email address below:
